Hon. Cornelius Cole,
6121 Lexington Avenue,
Los Angeles, Cal.

Dear Senator Cole:

It gratifies me very deeply to find your interest in my attempt to save the dear old Songs of pastoral California. I am greatly encouraged by the reception of my announcement - in this first week, a quarter of the edition has already been subscribed. This makes me feel very sure that we shall be able, a little later, to have a series of several such books, until we have put in the hands of our singing public a very fair representation of the Songs that flowered in the California of Missions and Ranches.

Your order is booked, and copies will be forwarded to you as soon as they come from the printers - which will be in a few weeks.

With high regard and all best wishes,

Always your Friend,

CFL/R
